RE: 125th Anniversary Congratulations

To The Brothers of Alpha Theta Chapter:

On behalf of the Sigma Chi International Fraternity, Grand Consul Keith Krach, the Executive Committee, and Headquarters staff bid you greetings. We extend heart-felt congratulations as you celebrate your 125th anniversary! It is always a joyous moment in a chapter's history when you reach this anniversary milestone. While we are unable to be with you personally, please do know we join you in fraternal spirit.

Take this time to reflect on the memories you have made, the experiences you have shared, and the tremendous accomplishments you have achieved over the course of your chapter's history. From the days when your founding fathers set the course to become Sigma Chi to this evening as you look around the room and see the many faces that have come through the "Circle" since, celebrate what has brought you back from far and away.

We believe you will note during this anniversary celebration, the renewal of friendship and rekindling of brotherhood as a defining example of the permanence of Sigma Chi spirit. As you celebrate this wonderful achievement, we are sure that you will also note that an extraordinary fraternity's destiny will always be guided not just by the efforts of one or even several remarkable men of a given class year, but rather by the persistent power of the Fraternity's traditions. In Sigma Chi, these most powerful traditions are found in our Ritual. It is our hope that you have found guidance there in the past, and that you will continue to do so in the future.

Allow it to be Alpha Theta's springboard to accomplishing the Fraternity's vision to be the preeminent leadership development organization on your campus. We look forward to celebrating with you in the future successes of Alpha Theta Chapter of Sigma Chi.

In hoc signo vinces,

Keith Krach
Grand Consul
